What is the census?

The census is the most important statistical survey in Japan. It covers all people living in Japan and their households.

Census date

The census will be conducted as of October 1, 2025.

Who is counted in the census

All people (including non-Japanese people) living in Japan as of October 1, 2025 and their households will be counted in the survey.

Census process

From late September 2025, census takers will visit each household and distribute census documents. You can respond either online or by completing the printed census questionnaire and mailing it or handing it to the census taker.
