Decided

5 Principles of rubbish disposal rules

- 1 By the sorting method!!
- 2 Using city designated garbage bag!!
- 3 On the collection day!!
- 4 Until 8:30 am!!
- 5 At the designated garbage collection point in the town!

Useful items for sorting

Isesaki, Azuma and Sakai district version

Guide Book for separating resources and waste

Garbage separation app [san a~ru(3R)]

Classification		How to divide		How to dispose									
Items to be disposed at garbage stations	Plastic containers packaging	Trays Markers of the items to be sorted	Packs Cups	Lids & Labels Bags・films Bottles and pumps Styrofoam etc.	Clean up <ul style="list-style-type: none">If it is too dirty to clean, it cannot be recycled and should be disposed of in burnable garbage.Remove labels and price stickers as much as possible.Do not double bag (collect rubbish in a small bag and then put it in the designated rubbish bag)								
	Bottles	Beverage bottles Nutrition drinks, wine, etc.	Food bottles Jams, instant coffee etc.	Regular medicine bottles Cosmetic bottles	Clean up <ul style="list-style-type: none">If the lid is difficult to separate, leave it on.If the label sticker cannot be removed, leave it on.Plastic lids should be disposed of as plastic.Metal lids are put out as non-burnable garbageReturn beer bottles to the retailer if possible								
	Cans	Beverage cans Juices, alcoholic beverages, tea, coffee etc.	Canned food	Confectionery cans Tea canister Milk cans Crush and dispose	Clean up <ul style="list-style-type: none">Dispose of cassette cylinders and spray cans as dangerous goods.Large cans (e.g. milk cans) must be crushed before disposal.Please cooperate with the collection of cans, place them in the town's recycling location.Dirty cans, oil cans, square's 1.8 liters cans (for food), oil cans (for vehicles), etc. should be put out as non-burnable garbage								
	Non burnable garbage	Metal products Cooking utensils	Home appliances Printers, microwaves	Cutlery Dangerous items should be wrapped in paper and marked with the name of the item.
